

## MEDIA RELEASE

### **Students- Be Your Own Boss This Summer- Applications Open January 3rd!**

---

**Full time students aged 15-29 have the opportunity to start and run their own business with the help of The Business Enterprise Centre - Owen Sound & Area and the Ontario Government program, Summer Company.**

It's never too early to think about summer and owning your own business. The Summer Company program provides students who are returning to school, with a great opportunity to gain experience and to create their own employment. Applications open January 3, 2012.

Receive hands on business training and individual mentoring to start and operate your summer business. The program includes financial awards of up to \$3,000 to help you start and run your own summer business. Whatever career path you take, Summer Company will give you the tools you need to succeed.

For more information or to apply visit [www.ontario.ca/summercompany](http://www.ontario.ca/summercompany). Contact The Business Enterprise Centre - Owen Sound & Area, 519-371-3232, for assistance with your business plan and application. The sooner you call, the closer you are to being your own boss!

This program is brought to you by The Business Enterprise Centre - Owen Sound & Area, in partnership with the Ministry of Economic Development and Innovation.
