

The staff at Caframo Limited donate \$7155.00 to Rec Centre campaign

Each year all of the staff at Caframo Limited vote on a charity to support for the following year; one that all staff can support and one where everyone can make a difference.

The staff raised money by having weekly BBQ lunches, running a snack cupboard, 50-50 draws, silent auctions and other events. Caframo Limited staff helped organize and provided the lunch for the Family Y Scenic Spring cycle.

Fundraising campaign co-chair Tom Rice was presented with a cheque from the staff at Caframo's annual family BBQ, an afternoon where staff invite their families to join them for an afternoon of fun!
