

## **Every little bit helps - Crescent Club Midget lacrosse team donates**

Earlier this month the 2011 Owen Sound Crescent Club Midget Lacrosse Team stopped by the Family YMCA to deliver a donation of \$324.00 for the new Regional Recreation Centre.

When asked how the group decided upon the \$324.00 donation team contact Carrie Elder outlined that as a rep team, at the beginning of each season, players (or their parents) pay a fee to cover the costs of the season ahead. When the lacrosse season comes to an end, any remaining money is usually redistributed among the players and their parents.

This year however, the team decided to donate the extra cash recognizing that local lacrosse programs including theirs will positively benefit from the new centre and the addition of a second arena surface. As a whole, the team decided to make the donation.

This is a true demonstration of the leadership and commitment that many community groups have shown for this wonderful regional facility. The 2011 Owen Sound Crescent Club Midget lacrosse team has set an example which we hope others will continue to follow.

*Shown:*

Back row (L to R): Keith Peer (coach), Bill Kelly, Josh Deyell, Zac Coulter and Tanner Brown
