Students at St. Mary's High School donate \$1,000 to Rec Centre

(Owen Sound, ON) Co-Presidents, Jake See and Mary Cassidy along with Student Trustee Katie Walsh announced a \$1,000 donation to the Rec Centre from the students of St. Mary's High School this past Wednesday (Oct. 19). Fundraising campaign co-chair Sonya Mount was on hand for the presentation.

It is important for the Student Advisory Council (SAC) at St. Mary's to be engaged in the community and support local projects and initiatives. Their decision to support the Regional Recreation Centre highlights how significant it is to the students to have a strong, healthy community and offer a positive place to go.

Throughout the year, the SAC hosts fundraising events such as coffee breaks to raise funds for projects supported by the student body. St. Mary's High School draws students from across Grey and Bruce counties.

"We are proud to support local projects that will be enjoyed by our student body. Our sports teams and swim club will definitely be using the new centre," said See.

"It is impressive to see the SAC donating to a community resource that will benefit the students of today, tomorrow and the future," commented Mount. "This is an example of forward, community-minded thinking."

The Regional Recreation Centre is a fully accessible; 125,000 sq ft. facility that will house a double ice pad arena operated by the City of Owen Sound and the Family Y Health, Fitness, Recreation and Aquatic Centre operated by the Owen Sound and Area Family YMCA. It is a partnership that will be a community gathering place, a place for all to improve themselves mentally, physically and spiritually.
