Major Fundraiser for the Regional Recreation Centre!

Owen Sound Little Theatre in Partnership with the Regional Recreation Centre Campaign to Present Major Fundraiser

The Owen Sound Little Theatre (OSLT) and the Owen Sound Family YMCA are pleased to announce that a major fundraising event will take place on **November 10, 2010** at the Roxy Theatre with proceeds going to the new Regional Recreation Centre.

For 50 years the OSLT has been at the heart of culture in Owen Sound and draws heavily upon the talents, skills and goodwill of the community. It has grown to over 150 members, with many hundreds of faithful patrons. Productions are staged with volunteer directors, producers, stage crew, cast, ushers and many others who operate 'behind the scenes'.

"To celebrate our 50th anniversary year, we take pride in stepping up to support the community that has been so supportive of us by partnering with the Y to host a fundraising performance to help Owen Sound realize its dream of becoming a regional hub of fitness, recreation and sport," said OSTL President Bill Murphy.

The 50th season kicks off with an 11-show run of ***Hello Dolly!*** A special premiere performance of the show will take place on November 10 and will be a fundraising evening with proceeds going to the Regional Recreation Centre's campaign. All services required to stage the production will be donated by OSLT in order to maximize the proceeds.

"This is a wonderful opportunity," commented Tom Rice, co-chair for the rec centre fundraising campaign. "Working in partnership with the theatre and having ***Hello Dolly!*** as the show, we anticipate a sell-out performance."

The fundraising performance of ***Hello Dolly!*** is in the planning stages. Stay tuned for more details of the evening. If you are interested in volunteering to assist with organization of the event, please contact the Regional Recreation Centre's campaign office at 519-376-0484, ext. 222.

The Regional Recreation Centre is all about building community and working in partnership with the City, businesses and individuals. At OSLT's core, is entertaining and educating the people of Grey and Bruce through comedy, tragedy, music, joy and the drama of life. For both organizations this fundraising event represents their commitment of partnerships with the community in pursuit of excellence in culture and recreation.

Both Bill and Tom agree, "Together we can continue to build the dream and draw newcomers, residents and visitors to Grey and Bruce Counties."
