

WRAPPING PAPER CAN BE RECYCLED!

CHRISTMAS WRAPPING PAPER CAN BE RECYCLED WITH YOUR BOXBOARD!

Please remove the tape, bows and ribbons, flatten the wrapping paper and include it with your boxboard for curbside pick-up. We can only recycle wrapping paper, so plastic or foil wrapping will still have to go in the garbage. Christmas wrapping paper will also be accepted in a special Wrapping Paper bin at the City of Owen Sound Recycling Depot at 2085 20th Avenue East.
