It is of the utmost importance that there be continuation of the aims and desires of the Hall and to that end the Executive may appoint members (subject to ratification by simple majority vote of the Executive).

If any member of the Executive Committee resigns or retires for any reason, the remaining members of the Executive shall discuss the names of possible successors who shall be approached. 4. **CRITERIA FOR INDUCTION:** Numbers of Inductees: To be elected bi-annually, shall be determined by the Board of Directors, restricted to Athletes, Builders and Teams of Sport having direct connection to the City of Owen Sound and Area.

5. **ATHLETES:** Athletes to be considered for admission to the Hall of Fame must have been (or be) outstanding in their field of endeavour or to have achieved better than average proficiency in a number of sports even if not reaching the absolute top level in any one. The label “outstanding” must be applicable over an extended period of time in competition against peer athletes. This involves those competing on a strictly local level and those going on to District, Provincial and National events as well as those who enter professional sports. However, distinction should be made in the nomination papers as to the reason for the nomination. An athlete who is prominent locally over a period of time should not be downgraded for this if he/she achieves top proficiency in a wider area whether this be amateur or professional. The criteria must necessarily be broad, however, documentary evidence should be available, plus views of his/her contemporaries, if possible.

- a. Any Owen Sound and area athlete who has won an Olympic Medal;
- b. Any Owen Sound and Area athlete who finished first, second or third in any international Championship considered authentic by the Executive Committee;

- c. Anyone in (a) or (b) who, after a local amateur career, moves into professional sports elsewhere and who is deemed worthy of inclusion;

- e. Anyone in (a) or (b) who, after a local amateur career, moves into amateur sports elsewhere and who is deemed worthy of inclusion

6. **BUILDERS:** Includes officials, referees, umpires, sponsors, trainers, coaches, promoters etc. This would include those whose work for sport over an extended period of time has been outstanding, whether it be in organization of leagues and facilities; achieving a high degree of success in coaching teams and/or individuals; keeping a league or team active; providing services of a consistency high level over an extended period of time.

However, just because someone has worked many years for sport as a builder, it does not necessarily mean inclusion into the Hall of Fame. His or her work over that period of time, or over most of it, must have been of a consistently high level with regard to services provided or results achieved.

Builder nominees shall be eligible at any time. There shall be no waiting period in this category although the nominee may still be active in the role(s) for which they are being nominated.
