## Independent Auditor's Report

---

### To the Members of Council, Inhabitants and Ratepayers of the Corporation of the City of Owen Sound

We have audited the accompanying consolidated financial statements of the Corporation of the City of Owen Sound, which comprise the consolidated statement of financial position as at December 31, 2016 and the consolidated statements of operations and accumulated surplus, changes in net debt and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Corporation of the City of Owen Sound as at December 31, 2016 and the results of its operations, changes in net debt and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

<b>Management Responsibility</b>	<p>The management of the Corporation of the City of Owen Sound has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in these consolidated financial statements. The Corporate Services Committee reviews and approves the consolidated financial statements before they are submitted to Council.</p>
<b>Basis of Accounting</b>	<p>The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada as prescribed by the Ministry of Municipal Affairs and Housing.</p> <p>Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.</p>
<b>Basis of Consolidation</b>	<p>The consolidated statements reflect the assets, liabilities, revenues and expenses of all municipal organizations, committees, and boards which are owned or controlled by Council. All interfund assets and liabilities and revenues and expenses have been eliminated on consolidation.</p> <p>The following boards controlled by Council have been consolidated:</p> <p>Owen Sound and North Grey Union Public Library</p> <p>Owen Sound Downtown Improvement Area Board of Management</p>
<b>Use of Estimates</b>	<p>The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future. Estimates are used when accounting for items such as accrued grant receivables, accrued liabilities, useful lives of capital assets, post-employment benefits liability, solid waste landfill post-closure liabilities and taxes receivable.</p>

#### Revenue Recognition

Revenues are recognized as follows:

- a) Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts.
- b) Fines and donations are recognized when collected.
- c) Other revenues are recorded upon sale of goods or provision of service when collection is reasonably assured.
- d) Investment income earned on surplus funds (other than obligatory reserve funds) is reported as revenue in the period earned. Investment income earned on obligatory reserve funds is recorded directly to each fund balance.
- e) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.
- f) Revenue restricted by legislation, regulation or agreement and not available for general municipal purposes is reported as deferred revenue on the consolidated statement of financial position. The revenue is reported on the consolidated statement of financial activities in the year in which it is used for the specified purpose.

#### Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and short-term highly liquid investments that are readily converted into cash.

#### Temporary Investments

Temporary investments are recorded at cost, unless there has been a decline in the market value which is other than temporary in nature, in which case the investments are written down to market.

<b>County and School Board</b>	The municipality collects taxation revenue on behalf of the school boards and the County of Grey. The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards and the County of Grey, are not reflected in these financial statements.												
<b>Other Receivables</b>	Other receivables are recorded at cost.												
<b>Non-Financial Assets</b>	Tangible capital assets and other non-financial assets are accounted for as assets by the City because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the City unless they are sold.												
<b>Inventory</b>	<p>Inventory of goods held for resale is recorded at the lower of cost and net realizable value. Cost is determined on the average cost basis.</p> <p>Inventory held for consumption is recorded at the lower of cost and replacement cost.</p>												
<b>Tangible Capital Assets</b>	<p>Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Amortization is provided over the estimated useful life of the assets using the straight-line method. The useful life of the assets is based on estimates made by management. The following useful lives are used:</p> <table><tr><td>Land improvements</td><td>40 - 75 years</td></tr><tr><td>Buildings and structures</td><td>15 - 40 years</td></tr><tr><td>Vehicles, machinery and equipment</td><td>3 - 20 years</td></tr><tr><td>Roads and sidewalks</td><td>10 - 80 years</td></tr><tr><td>Bridges and other structures</td><td>40 - 80 years</td></tr><tr><td>Water and sewer infrastructure</td><td>40 - 90 years</td></tr></table> <p>Tangible capital assets received as contributions are recorded at fair value at the date of receipt.</p>	Land improvements	40 - 75 years	Buildings and structures	15 - 40 years	Vehicles, machinery and equipment	3 - 20 years	Roads and sidewalks	10 - 80 years	Bridges and other structures	40 - 80 years	Water and sewer infrastructure	40 - 90 years

#### Post-Employment Benefits

The municipality provides post-employment health, dental, life insurance benefits and other benefits to eligible retired employees. The benefits earned by employees are determined using management's best estimate of expected benefit costs and are expensed as services are rendered.

Previously the municipality was an employer included under Schedule 2 of the Workplace Safety and Insurance Act. It self-insured the entire risk of its own WSIB claims and was individually liable for reimbursing the WSIB for all costs relating to its workers' WSIB claims. The municipality is still liable for claims relating to Schedule 2 employer status. The cost of the claims are determined using management's best estimate.

The contributions to the Ontario Municipal Employers Retirement System ("OMERS"), a multi-employer defined benefit plan, are expensed when contributions are due.

#### Liability for Contaminated Sites

A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries. Management is not aware of any contaminated sites for which a liability needs to be recognized.

#### Solid Waste Landfill Closure and Post-Closure Costs

Site closure and post-closure care costs were recognized over the operating life of the landfill based on capacity used. The liability is recorded at its discounted value, based on the average long-term borrowing rate of the municipality. The landfill is now in the post-closure phase.

#### Trust Funds

Funds held in trust by the municipality, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately on the trust funds statement of continuity and balance sheet.

**7. Tangible Capital Assets - (continued)**

The net book value of tangible capital assets not being amortized because they are under construction is \$57,067,209 (2015 - \$41,671,648).

Interest of \$Nil (2015 - \$278,545) was capitalized to tangible capital assets during the year.

The municipality holds various works of art and historical treasures. These items are not recognized as tangible capital assets in the financial statements because a reasonable estimate of the future benefits associated with such property cannot be made.

**8. Accumulated Surplus**

**15. Pension Agreements**

The municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 286 members of its staff. This plan is a defined benefit plan which specifies the amount of the retirement income to be received by the employees based on length of service and rates of pay. Employees and employers contribute jointly to the plan. The amount contributed to OMERS for 2016 by the City was \$1,870,874 (2015 - \$1,815,208). The contribution rate for 2016 was 9.0% to 15.8% depending on age and income level (2015 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the municipality does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was on December 31, 2016. At that time the plan reported a \$5.72 billion actuarial deficit (2015 - \$7.0 billion), based on actuarial liabilities of \$86.96 billion (2015 - \$81.9 billion) and actuarial assets of \$81.24 billion (2015 - \$74.9 billion). Ongoing adequacy of the current contribution rates will need to be monitored and may lead to increased future funding requirements.

**16. Post-Employment Benefits**

	2016	2015
Sick leave liability	\$ 26,380	\$ 42,037
Vacation pay liability	1,076,172	1,203,994
Post-employment benefits	3,571,166	2,398,749
WSIB future benefit	201,600	-
	\$ 4,875,318	\$ 3,644,780

- a) Sick leave liability includes amounts earned by employees as defined by applicable union contract but not taken during the year. This amount is funded through reserves.
- b) The vacation liability includes vacation earned. The vacation year for an employee begins either on their "start date" anniversary or the date defined by the applicable union contract. The vacation liability includes all carry-forward amounts from the previous vacation year and vacation earned from the vacation start date to December 31, 2016. This amount is not funded.
- c) The City pays certain life insurance, health and dental benefits on behalf of its retired employees to the age of 65. The City recognizes these post-employment costs in the period in which the employees rendered the services. An actuarial valuation has been performed using the assumption of a 3.4% per year borrowing rate and a 2% per year inflation rate. This amount has not been funded.

	2016	2015
Current period benefit cost	\$ 91,700	\$ 91,740
Interest costs	99,700	99,645
Total expense for the year	\$ 191,400	\$ 191,385

- d) The City became a Schedule I employer under the Workplace Safety Insurance Act effective January 1, 2010. The City was a Schedule II employer for the years 1998 to 2009 and, as such, the municipality self-insured for WSIB benefits.

The municipality is still liable for events which took place while they were a Schedule 2 employer. An actuarial valuation has been performed using the projected benefit method. The most recent actuarial report was prepared as at December 31, 2016. The total benefits not yet awarded and provision for presumptive cancer legislation for firefighters for the period in which the municipality was a Schedule 2 employer was determined using a 3.4% per year borrowing rate and a 2% per year inflation rate. This amount has not been funded.

County of Grey	7,693,377	7,401,255
	\$15,457,975	\$ 14,827,723

---

**18. Trust Funds**

The trust funds administered by the City have not been included in the consolidated statement of financial position nor have the operations been included in the consolidated statement of financial activities. At December 31, 2016, the trust fund balances are as follows:

	2016	2015
Cemetery Care and Maintenance Funds	\$ 1,251,651	\$ 1,231,194
Art Collection and Gallery Building Trust	114,410	113,326
	\$ 1,366,061	\$ 1,344,520

---

**19. Prior Period Restatement**

Management has determined that various land, retaining walls and manholes were not accurately valued and storm mains, force mains, hydrants, water valves and technology inventory were excluded from capitalization of tangible assets as part of the adoption of Tangible Capital Asset accounting standards in 2009. The impact of adjusting for these additional items is as follows:

	2015
<b>Consolidated Balance Sheet</b>	
Increase in non-financial assets - tangible capital assets	\$ 3,730,086
Increase in accumulated surplus	\$ 3,730,086

## Independent Auditor's Report

---

**To the Members of Council, Inhabitants and Ratepayers  
of the Corporation of the City of Owen Sound**

We have audited the accompanying financial information for the trust funds of the City of Owen Sound, which comprise the balance sheet as at December 31, 2016, the statement of continuity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Information**

Management is responsible for the preparation and fair presentation of this financial information in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on this financial information based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial information. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial information, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial information in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial information.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial information presents fairly, in all material respects, the balance sheet for the trust funds of the City of Owen Sound as at December 31, 2016 and the statement of continuity for the year then ended in accordance with Canadian public sector accounting standards.

**1. Summary of Significant Accounting Policies**

**Basis of Consolidation**                      These trust funds have not been consolidated with the financial statements of the City of Owen Sound.

**Basis of Accounting**                      The financial statements of the Corporation of the City of Owen Sound Trust Funds are the representation of management. They have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada as prescribed by the Ontario Ministry of Municipal Affairs and Housing.

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**Use of Estimates**                      The preparation of financial information in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial information, and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.

---

**2. Investments**

The total investments of \$559,489 (2015 - \$661,162) reported on the balance sheet at cost have a market value of approximately \$559,489 (2015 - \$661,162) at the end of the year.
