

Media Advisory

16th Street East Lane Closures – 9th Avenue East to 16th Avenue East

Owen Sound, Ontario

Monday, November 9, 2020

Drivers and transit users will experience alternating closures on 16th Street East beginning on Tuesday, November 10, 2020, to complete milling and paving work as a part of the [16th Street rehabilitation project](#).

Due to the work being complete in the area of 16th Street East between 9th Avenue East and 16th Avenue East:

- Transit riders will experience intermittent transit stop closures.
- Lanes will be closed to traffic, however, two-lanes of traffic will be maintained for east/west travel.
- Drivers will experience flashing traffic signals. Members of Owen Sound Police Services will be on hand to direct traffic.

For more information, please contact Dennis Kefalas at 519-376-4440 Ext 1201 or email to dkefalas@owensound.ca.

Quick Facts:

- The City of Owen Sound received MTO Connecting Link funding for the [16th Street rehabilitation project](#).
- Critical water and sewer infrastructure are being upgraded during the rehabilitation.
