

- Council nominated the Director of Public Works and Engineering to fill the vacancy on the Source Protection Committee.
- Council approved opting in to retail cannabis sales as per Ontario Regulation 468/18 and directed staff to bring forward a Municipal Cannabis Policy Statement for approval to identify retail areas and potential sensitive land uses which would be used as a framework for staff to provide comments to the Alcohol and Gaming Commission of Ontario (AGCO) on municipal licence applications for retail cannabis sales locations.
- Council approved various housekeeping changes to Boards and Committees in preparation for appointments to be made in 2019.
- Council approved a Non-Union 1.5% cost of living increase effective January 1, 2019 and January 1 2020.
- Council approved a Site Plan for 2390 9th Avenue East.
- Council approved awarding a tender for Cab and Chassis with Body and Crane equipment to Lewis Motor Sales Inc.
- Council approved the extension of a Boundary Agreement with the Township of Georgian Bluffs for 5 years.
- Council supported the Fire Chief to continue as previously directed regarding his planning for Fire and Emergency response while the 10th Street Bridge is closed for reconstruction.
- Council approved a schedule of Acting Mayor appointments from among Councillors for the 2018-2022 Council term.
- Council authorized the City Clerk to submit a letter of non-objection to an applicant for inclusion in their AGCO Temporary Extension Application regarding a wedding at Mudtown Station.
- Council approved a recommendation from the Corporate Services Committee that Council remuneration be increased 10%, representing the amount of tax and OMERS that would otherwise be refunded on 1/3 of remuneration to keep income revenue neutral despite the tax change implemented at the Federal level.
