Memorial/Commemorative Bench Program

The Process

The first step is for the family/group to decide on an appropriate location to have a bench installed. Parks staff will assist with the site selection for those wishing a site in a City park and Cemetery staff will assist with the arrangements for those wishing a bench installed in Greenwood Cemetery.

The cost of a Commemorative Bench, including delivery, plaque and installation on concrete pad is \$1901.50 + HST (**however, the bench price is subject to change based on manufacturer's pricing.**) After the bench is installed, the City assumes ownership and responsibility for ongoing maintenance of the bench.

Plaques

Commemorative plaques may be installed to identify the Memorial/Commemorative bench. The plaques are made of durable Corian® and can be inscribed with wording of your choice, provided the number of letters can suitably be accommodated.

The City of Owen Sound is not responsible for the maintenance or replacement of commemorative plaques.

Persons or groups wishing to purchase a memorial/commemorative bench are encouraged to contact:
