
Title: Records and Information Management Policy

Department/Division: Corporate Services / Clerk's Office

Purpose:

1. The City recognizes records as valuable and essential corporate assets. An effective and efficient corporate records and information management (RIM) program is vital to ensure:
 - a. legislative and regulatory compliance
 - b. improved transparency and accountability
 - c. effective policy-making and informed decision-making
 - d. risk management and business continuity in the event of disaster
 - e. protection of rights and obligations of the organization and its citizens
 - f. greater business efficiency and cost savings
 - g. protection of corporate, personal and collective memory
 - h. secure, timely and appropriate disposition of records and information which have met the requirements of the retention schedule
 - i. identification and protection of personal information and vital records

Scope:

2. This policy applies to all records (regardless of media) under the care, control or custody of the City of Owen Sound, including those created or received in all departments, committees, or by the Mayor and members of Council.
3. Where records of a member of Council are not related to the discharge of their duties or are not in the custody or control of the City, Mayor and Council records are considered "personal" records and include those commonly referred to as constituency records. These records are outside the scope of this policy and not subject to the City's RIM policy. Further information regarding Mayor and Councillors' records is available through the [Information and Privacy Commissioner of Ontario](#).

Title: Records and Information Management Policy

Definitions:

4. For the purposes of this policy,

“City” means the Corporation of the City of Owen Sound.

“Classification system” means the standardized system of identifying, classifying and arranging records. The City uses a subject numeric order system called TOMRMS.

“Destruction” means the physical disposal of records. Paper files may be shred, pulverized, incinerated or macerated. Electronic records may be degaussed, cryptographically sanitized, or physically destroyed.

“Disposition” means the destruction of a record in a manner appropriate to its level of confidentiality.

“Inventory” means a complete list of records.

“Legal hold” means the process whereby the normal disposition or processing of records is suspended as these records are identified for additional retention in the event of, or in anticipation of, an audit, investigation, litigation, an order by another decision-making body, or other matter.

“MFIPPA” means the *Municipal Freedom of Information and Protection of Privacy Act*.

“Official record” means a record necessary to:

- meet legal, financial, operational, historical or archival requirements; or
- provide evidence of a business activity, decision or transaction; or
- protect the rights of the citizens and the City.

“Personal information” means recorded information about an identifiable individual, including,

- a. information relating to the race, national or ethnic origin, colour, religion, age, sex, sexual orientation or marital or family status of the individual,
- b. information relating to the education or the medical, psychiatric, psychological, criminal or employment history of the individual or

Title: Records and Information Management Policy

- information relating to financial transactions in which the individual has been involved,
- c. any identifying number, symbol or other particular assigned to the individual,
 - d. the address, telephone number, fingerprints or blood type of the individual,
 - e. the personal opinions or views of the individual except if they relate to another individual,
 - f. correspondence sent to an institution by the individual that is implicitly or explicitly of a private or confidential nature, and replies to that correspondence that would reveal the contents of the original correspondence,
 - g. the views or opinions of another individual about the individual, and
 - h. the individual's name if it appears with other personal information relating to the individual or where the disclosure of the name would reveal other personal information about the individual.

"Personal information bank" means a collection of personal information that is organized and capable of being retrieved using an individual's name or an identifying number or particular assigned to the individual.

"PHIPA" means *Personal Health Information Protection Act*.

"Record" means any record of information however recorded, whether in printed form, on film, by electronic means or otherwise, and includes,

- a. correspondence, a memorandum, a book, a plan, a map, a drawing, a diagram, a pictorial or graphic work, a photograph, a film, a microfilm, a sound recording, a videotape, a machine readable record, any other documentary material, regardless of physical form or characteristics, and any copy thereof, and
- b. (subject to MFIPPA) any record that is capable of being produced from a machine readable record under the control of an institution by means of computer hardware and software or any other information storage equipment and technical expertise normally used by the institution("document").

Title: Records and Information Management Policy

“Records and information management” (RIM) means the systematic control of all records, regardless of media, from their creation or receipt, through their lifecycle. The lifecycle includes processing, distribution, organization, storage, retrieval, and disposition.

“Retention period” means the period of time a record must be kept before it may be disposed of.

“Scope notes” means the explanation and clarification of the purpose and meaning of the record series and the documentation included and excluded within the record series.

“Superseded” means replaced or take the place of. A record may be superseded by newer information.

“Transitory record” means a record that is useful for only a short time and has minor importance by not being required to meet legal, financial, or operational obligations, provide evidence of business activities, decisions or transactions, or protect the rights of the citizens and the City. Examples include miscellaneous notices, duplicate copies, drafts and publications.

“TOMRMS” means The Ontario Municipal Records Management System. The City uses this file classification system.

“Vital record” means a record that is essential to resume or to continue the operation of the City after an emergency; those records necessary to recreate the corporation's legal and financial position; and/or those necessary to preserve the rights of the City, its employees, customers, and ratepayers. Examples include by-laws and the tax roll.

Policy:

Responsibilities

5. Effective records and information management is a shared responsibility.
6. Each department has a designated “RIM Representative” to liaise between the Clerk’s Office and the department users. The Executive Assistant & Public Relations Coordinator, the Human Resources Assistant, the Art Gallery Program & Marketing Assistant, the Administrative Assistants of Community

Title: Records and Information Management Policy

Services, Corporate Services, Public Works, Water/Wastewater, the Engineering Services Administrator as well as the Development Coordinator are the RIM Representatives. The RIM Representative should have a thorough knowledge and understanding of the RIM program and administrative operation of his/her respective department.

7. The City Manager, Directors and Managers shall:
 - a. ensure all staff are aware of their responsibilities under this policy;
 - b. demonstrate support and compliance with this policy;
 - c. in coordination with the Clerk's Office, address any non-compliance with this policy; and
 - d. act as the signing authority or designate a suitable individual in the department as signing authority, for disposition of department records.

8. The Records Management Coordinator shall:
 - a. be responsible for administering the City's RIM program in order to manage corporate records according to applicable legislation and regulations;
 - b. ensure reasonable procedures are in place to properly manage and protect City records from inadvertent destruction, damage or unauthorized access, taking into account the financial and staff resources available to protect such records;
 - c. provide RIM training, advice and assistance to City employees;
 - d. provide inactive file retrieval for City employees;
 - e. audit, evaluate and report on progress of the RIM program; and
 - f. develop other elements of the RIM program, including and not limited to, vital records and disaster management.

9. All employees/users shall:
 - a. familiarize themselves and comply with this policy;
 - b. report any violation of this policy to the respective Director, Manager, or Records Management Coordinator;
 - c. identify and distinguish official records and transitory records;
 - d. create, classify and store official records according to TOMRMS;

Title: Records and Information Management Policy

- e. ensure records are disposed of in accordance with this policy and the City's disposition procedures;
- f. ensure records in their custody and control are:
 - i. protected from inadvertent destruction;
 - ii. protected from unauthorized use or access; and
 - iii. properly preserved throughout their lifecycle.
- g. maintain the confidentiality of records with personal and/or sensitive information; and
- h. ensure all records remain accessible to authorized staff and retrievable for the entire period set out in the City's Records Classification and Retention Schedule.

General Policy Guidelines

- 10. For the purposes of this policy, records listed in the *Municipal Act* as being under the control of the Clerk may be inspected at any time on the website. Should a request be made to see the "wet signature" version, this may be done under supervision, subject to legislative limitations.
- 11. The RIM program will follow the Generally Accepted Recordkeeping Principles®.
- 12. Records created, received and/or maintained by employees are city property. This includes records held on personal electronic devices. Care must be taken to avoid the use of personal electronic communication devices, particularly as these may be held in the case of a legal hold or freedom of information request.
- 13. Any employee leaving his/her position is required to leave all official records for any successors, or with the Division Manager.
- 14. Records may be identified for additional retention or transfer as part of a legal hold procedure, audit, investigation, or archival purposes.
- 15. Staff shall consult with the Records Management Coordinator (and the Manager of IT where appropriate) prior to purchasing filing equipment,

Title: Records and Information Management Policy

systems and supplies to ensure they are consistent with the standards and specifications of the RIM program.

Record Creation and Classification

16. Employees shall create and maintain records that accurately and adequately document and provide evidence of City business transactions and activities in which they are involved as part of their duties, in accordance with the specific requirements of their service area.
17. Employees are responsible for all records they create and receive in the course of their duties.

Storage

18. Records will be stored in an environment that preserves the record over its entire lifecycle.
19. Access restrictions shall be applied to official records where required by the department and to comply with access and privacy provisions outlined in MFIPPA, PHIPA or other statutes.
20. Records containing personal, sensitive and/or confidential information shall be stored in a manner that safeguards the information and meets the criteria of MFIPPA, PHIPA or other statutes.

Retention

21. Record retention and classification varies according to a record's:
 - a. Administrative/business value – records which assist in the performance of current or future activities;
 - b. Fiscal value – records which ensure the timely payment of obligations and the proper receipt of receivables, as well as support the organization's financial audits and tax returns. Examples include records relating to financial transactions, such as financial ledgers, debenture records, audit files, budget files etc.;

Title: Records and Information Management Policy

- c. Legal value – records usually required by legislation such as by-laws, minutes or land transactions; or
 - d. Research/historical value – records containing information on people, places and events relating to major milestones, history or the development of the city and its citizens.
22. Official records shall be classified according to TOMRMS before the retention schedule may be applied. If a record does not fall within TOMRMS, a submission for a new classification and retention period must be made to the Records Management Coordinator.
23. Vital records shall be identified in the retention schedule. Those in electronic format will be protected by means of a recovery system such as a back-up. Those in paper format will be protected against the hazards of water, fire, mildew, lights, insects, rodents and excessive humidity. All vital records will be additionally protected against human hazards such as theft and unauthorized access.
24. Personal information banks shall be identified in the retention schedule. Personal information will be protected from theft and unauthorized access by limiting access to authorized personnel only and ensuring disposition according to the retention schedule. Further steps shall be taken to collect and retain only necessary personal information.
25. The retention schedule shall apply only when a file has been closed and is no longer in use. A file/record is closed in the following circumstances:
- a. At year-end being December 31st;
 - b. Once the information has been replaced (superseded) with newer information or the information is no longer in use; or
 - c. As a result of a trigger event, which is something that must occur before the retention time begins to run. Such events may include expiry date, final decision, project completion, sale of an asset, etc.

Disposition

Title: Records and Information Management Policy

26. No official records may be destroyed without the written consent of the Clerk's Office.
27. Transitory records are to be destroyed as soon as they are no longer useful.
28. Transitory records which may be subject to a freedom of information request, pending or current litigation, or an investigation, shall be retained.
29. A minimum of once annually, the disposition procedure for all records and information shall be followed. The Records Management Coordinator must review the 'Record of Destruction' to ensure none of the records should be retained for archival or legal-hold purposes.
30. Both the physical and the electronic copy of the [Record of Destruction](#) are to be provided to and retained permanently by the Clerk's Office.
31. The Records Management Coordinator will administer the retention schedule and the destruction or transfer of official records as per the retention schedule.
32. All records shall be destroyed so that the confidentiality of the information in a record is preserved. To this end, all paper at the City of Owen Sound will be shred.
33. The disposition schedule may be suspended for records, including transitory records, which may be relevant to a:
 - a. pending or current audit, investigation or litigation; or
 - b. request for access under MFIPPA.

Compliance

34. Any destruction, deletion, alteration, or attempts to discard or interfere with the accessibility of any record or other information which may be relevant and required for an ongoing, imminent, or pending audit, investigation, litigation, or pertaining to an access request under MFIPPA, is a violation of both legislation and this policy, and may result in criminal charges.

Title: Records and Information Management Policy

35. Corrective actions may be taken to address instances of non-compliance and may include additional training, changes to procedures, the suspension or removal of delegated authority, disciplinary action, or other measures.

Policy review

36. The City Clerk is authorized to make such administrative changes to this policy as appropriate to keep the policy current, such as personnel, organizational and contact information updates. Any revision to the intent of the policy shall be presented to Council for approval.
37. The Records Management Coordinator shall initiate an annual review of this policy.
38. The Records Management Coordinator shall attend division meetings as necessary to review the current RIM policy with staff.
39. The appendices attached to this policy may be updated under the direction of the City Clerk.
40. Questions pertaining to this policy should be addressed to the Records Management Coordinator.

By-law 2022-011	2022-01-24

Terms and Terminology

Term	Meaning	Notes
Cases	Cases. All cases are tertiary-level. Users must have a means of selecting which case their record is associated to.	
CCM	Case Category Metadata (CCM) field. A mandatory drop-down document metadata field for each case records type whereby the user selects the case the document is about	i.e.. WHICH employee, WHICH contract, etc.
Disp. Action	Disposition Action. Action taken on records that reach the end (termination) of their lifecycle (retention period).	Typical actions are: Delete/Destroy Permanent (keep permanently) Transfer to an outside archival agency Unknown (not yet determined)
FRM	Format. This describes the format that is considered to be the official record. Other formats may exist and are considered duplicates.	P = Paper E = Electronic B = Both paper and electronic. Use in cases where the category is in transition and both paper and electronic records are used. O = Other
Period	Official Retention Period (versus business retention period).	Retention period to be utilized by the RIM software.
PII	Records in this category are likely to (may) contain Personally Identifiable Information (PII) that can be used to identify a person, such as a name, address, etc.	Y if records in this category <i>Can</i> or <i>Will</i> contain PII. N if records in this category will never contain PII.
Metadata	A metadata field needed either for records management (retention rule) purposes, or for business purposes.	The metadata field is one of the following: Document. A field of all documents of this Content Type. Case. A field of the case container (Document Set, Library, Folder). One field for all documents in each case.
RD	Responsible Department	BB=Billy Bishop Museum, BU=Building, BY=By-law Enforcement CL=Clerk's, CDM= Community Development and Marketing, CF= Corporate and Facility Services, CM=City Manager, EOC=Emergency Management EN=Engineering, HR=Human Resources, OR=Originating, PA=Parks & Open Space, PG=Parking, PL=Planning, TR=Treasury, WO=Works

SEN	Sensitivity	<p>P = Public. Not sensitive. Open to anyone inside the organization (internal), or outside (external).</p> <p>I = Internal. Available to anyone inside the organization (Internal), but restricted outside (external).</p> <p>C = Confidential. Restricted to specified inside and/or external groups only.</p>
Trigger	Metadata field that triggers the retention period. Not to be confused with DHR (Document Handling Rules) triggers that trigger declaration.	<p>The Trigger metadata field is one of the following:</p> <p>Document. A field of all documents of this Content Type.</p> <p>Case. A field of the case container (Document Set, Library, Folder). One field for all documents in each case.</p>
Type	Retention Type. Determines how retention will be applied to documents in this category.	<p>T = Time Based (for admin records)</p> <p>D = Document-based (based on a document field property)</p> <p>E = Event Based (For case records)</p> <p>R = Relationship-based (for Supersedence)</p>
Unit	Unit of Measurement of retention period.	Day, Week, Month, Year
v	Vital. These records are required for the resart of the organization in the event of a catastrophe. Records are to be duplicated off-site.
