- 10.3.3 If no Occupancy Permit is issued by the date set out in Schedule B, the amount paid shall not be refunded and the deferred amount shall then be due and thereafter interest shall accrue and be payable at the rate for unpaid taxes.

The credit shall not exceed the service standard used in the calculation of the development charge, and no credit

shall be charged to any development charges reserve fund prescribed in this by-law or exceed the proportion of the development charge related to that service, payable by the owner to the municipality.

- 11.7 This by-law shall prevail over any previous agreements between a property owner and the City with respect to the payment of impost fees, lot levies or development charges. However, where fees or charges have been paid for services included in this by-law pursuant to an agreement that was registered on the title of the lands prior to the passing of this by-law, the City shall apply that fee as a credit against the applicable Development Charge.
