Tree of Remembrance

This tree is a symbolic way to remember the roots of our heritage and express our love and appreciation to military service.

You are invited to purchase a red light bulb on the tree outside the Billy Bishop Home & Museum as an annual dedication to, or in memory of, your loved one. (minimum of \$25.00 per Veteran)

In February of each year we also print the names of Veterans for whom bulbs were purchased in the previous lighting season in the Sun Times.

To purchase a bulb in memory of, or in dedication to, a Veteran just visit the Museum Tuesday through Friday from 11am until 5:00pm or Saturday or Sunday from 12 to 5pm at 948 3rd Ave. West, Owen Sound, ON.

The tree, lit up from November to January, pays tribute and honours the sacrifices and achievements of military men and women who served and continue to serve, in the cause of Peace and Freedom. When purchasing a bulb we encourage you to contribute as much information about the Veteran you are honouring so we can record and remember this service for years to come. The honoured Veteran's name, information (and photo if available) will be placed in a Book of Remembrance inside the Museum for all to see. You will receive a tax receipt for your donation.

Any added donation will help assist with our adult, youth and veteran's programs so that the coming generations will continue to remember the great sacrifice of our veterans.
