

Richelle Walker

ATHLETE

Richelle was the only female that played on both the First ever girl's hockey team in Owen Sound and the first ever girl's lacrosse team. These 2 sports in Owen Sound since then are thriving thanks to girls like Richelle.

Richelle not only was all in from the minute she tried the sport, but she also helped field a team with many friends and was a natural from day one.

Richelle is the epitome of a hardworking, dedicated, talented athlete who brought much to her sporting endeavors. Richelle won a Provincial Lacrosse Championship title in 2001 with the under-20 team while leading Owen Sound with 6 goals and 2 assists in the Championship game. Richelle also played for the 2004 National Ontario Lacrosse Team. Her success was not just a personal achievement but also for the local minor sports organizations that allowed her the opportunity to shine and become an example to other young girls through her leadership and abilities who wanted to strive for the same level of success.
