

Colin Gordon Hodson

BUILDER

Colin was one of the pioneers of organized soccer in Owen Sound. He was one of the first members of Owen Sound Minor Soccer and later was the first President of Owen Sound Men's United Soccer Team. Colin was instrumental in getting the Owen Sound United Soccer off the ground and in making it the success that it remains nearly 40 years later. As President of the club Colin took on all of the jobs – Hiring coaches, signing players, purchasing equipment, arranging fields for games and practices, fundraising...the list is endless. Colin helped build a dream that became a reality due to the groundwork he laid in the premier soccer facility in the region, the Kiwanis Soccer Complex. His foresight and behind the scenes work helped lead to the eventual development of the park. His overall record as Head Coach of the Owen Sound United Soccer Club is a very successful 74 wins – 28 losses and 18 ties. Throughout his 35 years of volunteering Colin has been a Builder and Ambassador for Soccer in the City of Owen Sound.
